

# **REMARKS**

This Second Supplemental Response is being filed supplemental to the Supplemental Response filed on April 2, 2010. Claim 84 is amended and new Claims 88-91 are added hereby. Examples of support for the newly added Claims can be found in the specification of U.S. Patent Application Serial No. 06/836,414, filed March 5, 1986 as follows: Claim 88: p. 28, ll. 6-16; Claim 89: p. 28, ll. 6-16; Claim 90: p. 28, l. 17- p. 29, l. 7; and Claim 91: p. 28, l. 17- p. 29, l. 7. The amendment to Claim 84 is a rephrasing of the existing claim language for clarification.

Applicants believe that pending claims 71-91 are in condition for allowance and request favorable consideration of the same.

Respectfully submitted,

SHERIDAN ROSSP.C.
